

## Addressing our communities' greatest challenges

Sandia National Laboratories is committed to being an informed, compassionate and contributing neighbor in our local communities. This commitment has been demonstrated throughout Sandia's history, and is an enduring part of our future.

To address the greatest challenges faced in Sandia's communities of Albuquerque, NM and Livermore, CA and other remote sites, Sandia's contributions focus on two critical focus areas as well as supporting Community Leadership. In 2021, National Technology and Engineering Solutions of Sandia, **contributed \$1.4M** on behalf of Sandia National Laboratories, to our local communities, including \$175K in the Livermore area.

# Family Stability

Funded 60 programs, average grant size \$9,700

## Addressing food insecurity

Sandia provided **\$45,000** to [Fertile Groundworks](#), [Alameda County Community Foodbank](#), [Open Heart Kitchen](#) and [Second Harvest](#), in the CA Bay Area, to support efforts to provide healthy food to people experiencing food insecurity. Volunteers helped garden to provide **more than 20,000 pounds of fresh produce**.

In New Mexico, Sandia contributed **more than \$100,000** to help hungry people. As the largest food bank in the State of New Mexico, [Roadrunner Food Bank](#) plays a major role in distributing food. Roadrunner Food Bank received a **\$25,000 grant** from Sandia, who further supported the work of the food bank with **11 employee volunteer projects** throughout the year.

[Seed2Need](#), a community partner that provides fresh produce to Roadrunner Food Bank, enjoyed the help of **200 Sandia volunteers** and their friends and families on brisk fall mornings to harvest **thousands of pounds of apples**.

Sandians spent a Saturday in the Spring preparing the urban garden at [Rio Grande Food Project](#) in Albuquerque for spring planting, who received a **\$20,000 grant** from Sandia.

## Working together for communities that need us

Sandia contributes **\$115,000** annually to the [United Way of Central New Mexico Corporate Cornerstone Program and Donor Group Sponsorship](#). Cornerstone Partners support the work of the United Way. The annual **Sandia Gives** campaign resulted in **employees contributing \$4.6 million** to benefit the United Way of Central New Mexico, the United Way of the Bay Area, and other nonprofits throughout the nation.

## Creating a place to call home

[Saranam](#) empowers families to end their homelessness and poverty through housing, education and supportive communities. Sandia contributed **\$25,000** to Saranam to support their successful long-term self-sufficiency work, the decorator program, and to support expansion of services. Sandia volunteers decorated an apartment for a family of five to live in during Saranam's two-year program and provided a hands-on STEM night for the families.

## Advocating for children

[NM Kids Matter](#) advocates for children in foster care who have been abused or neglected. Sandia contributed **\$10,000** to NM Kids Matter to support their Court Appointed Special Advocates (CASA) program. Additionally, employees participated in the annual Holiday Gift Drive to ensure that **over 900 children in Bernalillo County foster care received a gift during the holidays**. CASA Partners4NM Kids received **\$5,000** to support advocacy for foster children in Sandoval and Valencia counties.

## Giving hope

Sandia contributed **\$20,000** to [HopeWorks](#) for their project to help end homelessness in Albuquerque. Sandia volunteers helped the agency create a welcoming entrance for clients at the day shelter. Nonprofits in Albuquerque and the Tri-Valley area received **\$200,000** to help people move into stable housing.

# Educational Success

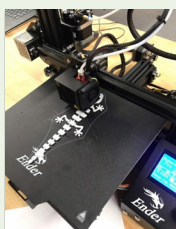

Funded **68 programs**, average grant size **\$8,000**

## Bringing engineering to life

The New Mexico Virtual Electric Car Challenge,

hosted by Sandia, the University of New Mexico STEM-H Center and Los Alamos National Laboratory, featured **14 teams from eight New Mexico schools**. Students built and raced battery powered cars and presented a research challenge to judges. Sixth graders from Roosevelt Middle School in Tijeras, NM won the first place at this year's challenge with their Tesla Truck.

## Creating a STEM pathway

Gallup McKinley schools are encouraging students to consider engineering and technologist careers with support from the national

STEM Core program. Sandia's partnership with Gallup McKinley schools continued with a senior project where **18 students assembled their own personal 3D printers** and learned to use them. Sandia contributed \$10,000 for the supplies and teamed with R4 Creating, who led the instruction. In June, the STEM Core students participated in the Summer Bridge Program at Navajo Technical University. Partners included Los Alamos and Lawrence Livermore Labs. Sandia's cybersecurity professionals provided a hands-on cybersecurity project and discussed cyber careers.

## Promoting literacy

Employees contributed to the Read to Me Book Drive, which resulted in **over 10,000 donated books** and **over \$3,200** in financial donations. Books were provided to

Title 1 schools and learning centers, as well as hospitals, community centers and food pantries. This year, the book drive extended beyond Albuquerque with additional book donations going to many tribal areas.

## Soaking in the sun

Sandia offered STEM in the Sun for students attending several City of Albuquerque community center summer programs. Volunteers led the kids in hands on STEM activities such as making lava lamps, designing ultraviolet bead bracelets and building structures with marshmallows and spaghetti.

## Exploring STEM careers in the Bay Area

Sandia values the work of many nonprofits whose mission is to encourage under-represented students to pursue STEM careers. Some of our Bay Area partners include Citizen Schools (**\$20,000**) for their Hands on STEM for Underserved Middle School program and The Crucible (**\$10,000**) for their Educational Response Vehicle.

## Providing students with shoes and supplies

Sandia NM raised a record **\$25,000** during Operation Backpack and the Stuff the Bus School

Supply Drive. Sandia doubled its impact by providing **500 backpacks** to Kirtland Air Force Base families and more than doubled the contributions to the Albuquerque Public Schools (APS) Clothing Bank and School Supply Barn. The funds will support the **more than 50,000 APS students** who are eligible for free or reduced lunch. Sandia CA employees contributed to donate **150 backpacks** to military families in the Bay Area.

Sandia's Hearts & Soles program raised **over \$12,000** from

employee donations to provide shoes to local students. The program provided employees a unique way to celebrate Valentine's Day, complete with a customizable Valentine's card to give to colleagues, friends or family members to let them know a donation of shoes was made on their behalf.

# Celebrating diversity and inclusion in the community

## Inspiring future STEM professionals

Sandia's Black Leadership Committee provided a virtual **Hands On Minds On (HM Tech) Program on Saturdays in June for 50 middle and high school students**. Topics included Electromagnetic Spectrum, Chemistry and Programming/Circuit Playground. The program presented volunteer and mentorship opportunities for employees and involved students in fun, hands-on, science and engineering activities and career exploration in a variety of STEM careers. Sandia funds HM Tech and career exploration programs for Hispanic and Native American youth annually.

## Supporting youth

**CasaQ** provides safe living options and services for lesbian, gay, bisexual, transgender, queer and questioning youth and allies who are at risk of or are experiencing homelessness in Albuquerque. Sandia's Pride Alliance Network **hosted the 11th annual Santa Hat Social** and raised **\$3,700** for

CasaQ and Sandia contributed **\$15,000** to support their housing program and Life Skills Academy for homeless youth. Sandia provided a **\$5,000 grant** to **Common Bond NM Foundation** and a **\$7,500 grant** to the **Side by Side Our Space** safe space for LGBTQIA youth in Alameda and Marin County.

## Imagining the cities of tomorrow

Sandia's Asian Leadership Outreach Committee and the Association of Chinese-American Engineers & Scientists of New Mexico **sponsored the Future City virtual competition** in February. With a **grant of \$5,000** from Sandia,

this project-based learning program taught middle school students to imagine, research, design, and build cities of the future.

## Building the future

Sandia partnered with Scientific Adventures for Girls in Berkeley, California for a **series of virtual STEAM nights** for elementary age school children and their families. Sandia contributed **\$22,000** for the program and students from the Bay Area in California and Gallup McKinley Schools, among others were invited to participate.

## Volunteering to help

The Abilities Champions of Sandia volunteered at **Mandy's Farm** helping with their barn and community garden. Sandia contributed **\$2,500** to a joint grant benefitting the VAMOS program at Mandy's Farm, and provided a **\$7,500 grant** to Abrazos Family Support Services for a new outside area to deliver developmental disability services safely.
